Issue 35

Hello and welcome to our newsletter for June 2023!

May was an incredibly busy month, filled with loads of events and activities, with the home particularly enjoying celebrating the Coronation of King Charles.

We were pleased to enjoy many other events and activities throughout the month and we were pleased that we were able to share many of these events with some visitors to the Homes. As the weather is getting warmer, we are looking forward to utilising our garden areas, and as you will see, we have spent a lot of time tending to the garden areas.

We have plenty planned for June, please see our main activity days to the right, you would be more than welcome to join us for any of our activities! Particularly note our annual picnic in the park on the 19th June. Please let the office know if you would like to attend or would like any other information!

We hope you enjoy June's newsletter!

Boys and their Toys

Our May “Boys and their Toys” saw the visit of some classic cars which we really enjoyed. It was lovely to reminisce together, and hear many stories of travels and journeys made. Thank you very much for all who brought their cars in, especially to Bettys son-in-law Clive, for helping us to arrange it.

If you know of anyone who may like to receive our newsletter, please get in touch with the home so we can add them to our mailing list. Thank you!

A Musical Afternoon

Peter, Ian and Malcolm came to entertain with their accordions one afternoon. They played many old favourites. There was lots of singing, tapping and even dancing in an afternoon that was enjoyed by all.

Green Fingered

We enjoy making the most of our garden spaces, starting seeds indoors before moving the plants outdoors. We have recently planted a lot of fruit and vegetables which we will look forward to watching grow! Thank you also for everyone who has donated plants for our gardens!

It is with great sadness that we include the news of the passing of Jeanne Ablitt since our last newsletter. Jeanne had lived with us for just over 3 years and she will be very dearly missed.

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?" **John 11 v 25 & 26**

The name *June* is the modern day adaption of the Latin word *Junius*, which has its origins dating back to the ancient Romans.

There are multiple theories as to what the month of June was named after. One theory is that it was named after the Roman goddess of marriage, Juno.

June was called *sera monath* by the Anglo-Saxons, which translated into "dry month".

June used to be the fourth month in the year. Before Julius Caesar came to power, the calendar year only had 10 months. In 46 BC he created the Julian calendar by adding two more months to the year, which made June the sixth month.

No other month in the year begins on the same day of the week as June.

June has both the longest and the shortest days of the year, depending on where you're standing! If you live in the northern hemisphere, then June 21st is the longest day of the year. If you live in the southern hemisphere, then the 21st is the shortest day of the year.

June has its own beetle named after it. Called the June beetle, or June bug, it's normally only found within the months of May and June in the United States of America.

We have a Homes Facebook page! We will post regular updates regarding activities within the home etc. and we hope it will enable people to have further insight into the day to days occurrences at Bethesda Eventide. Please feel free to join the page and invite others also.

FIT FOR A KING

We enjoyed a visiting performance from "tickled pink productions". They performed their musical "fit for a king". It was thoroughly enjoyed by all and made a lovely evening leading into the coronation weekend.
