Issue 47

Hello and welcome to our newsletter for June 2024!

In the last month we have really enjoyed the warmer weather (while it lasted), and most of this months photos are outdoors! It is great that we are able to enjoy trips to Christchurch park so conveniently, but also continue to enjoy Shirley's days out on a Wednesday.

We continue to improve our outdoor spaces, and the resin area has been renewed, and we are now just waiting on the glazing for the roof of the pergola!

We have plenty planned for June, please see our main activity days to the right, you would be more than welcome to join us for any of our activities! Please also see inside details regarding this years fun day, we hope many of you will be able to join us for this!

We hope you enjoy June's newsletter!

Pink Day

Out and About...

We enjoyed the temporary warm spell in May, with lots of trips out and about! As you will see, we have got up to lots, and lots of residents and staff enjoyed the sun while it lasted - come on summer, we are ready and waiting!

If you know of anyone who may like to receive our newsletter, please get in touch with the home so we can add them to our mailing list. Thank you!

The name *June* is the modern day adaption of the Latin word *Junius*, which has its origins dating back to the ancient Romans.

There are multiple theories as to what the month of June was named after. One theory is that it was named after the Roman goddess of marriage, Juno.

June was called *sera monath* by the Anglo-Saxons, which translated into "dry month".

June used to be the fourth month in the year. Before Julius Caesar came to power, the calendar year only had 10 months. In 46 BC he created the Julian calendar by adding two more months to the year, which made June the sixth month.

No other month in the year begins on the same day of the week as June.

June has both the longest and the shortest days of the year, depending on where you're standing! If you live in the northern hemisphere, then June 21st is the longest day of the year. If you live in the southern hemisphere, then the 21st is the shortest day of the year.

June has its own beetle named after it. Called the June beetle, or June bug, it's normally only found within the months of May and June in the United States of America.

We have a Homes Facebook page! We will post regular updates regarding activities within the home etc. and we hope it will enable people to have further insight into the day to days occurrences at Bethesda Eventide. Please feel free to join the page and invite others also.

Cinco De Mayo

May begun with us joining in the celebrations for Cinco De Mayo. This is an annual Celebration of the Mexican victory over French forces at the Battle of Puebla, on May 5, 1862. We had a Mexican themed day, complete with pinata, food, moustaches and an afternoon siesta.

Family FUN DAY

- Live Music
- Petting Farm
- Fire Engine
- Barbecue
- Ice Cream Van
- Raffle & Other Games
- and Much Much More!

If you see a photo in our newsletter of a loved one and would like a copy of it, please get in touch with the home so we can provide you with the original.

Time Outside

Carehome.co.uk is an excellent tool for supporting people in choosing a care home. If you would be willing to leave a review on this site, this would be most welcome.

In May we celebrated Joan, Derek and Josie's birthdays!

In June we look forward to celebrating Joan and Betty's birthdays. We hope to be able to share photos of their celebrations in our next newsletter!
