Issue 59

Hello and welcome to our newsletter for June 2025!

The Home has once again been full of activities and visitors which has led to a very busy month!

The emphasis seems to have been on games this month, with lots of tabletop games, outdoor games, sporty games and fair-style games being enjoyed around the Home.

There is once again lots planned for June, including our whole home trip to the seaside on Thursday 12th. We are keeping a close eye on the weather forecast, but are getting very excited! Plans are also being finalised for our fun day, with everything booked up and in the diary!

With so much planned to look forward to, we hope you will be able to join us, and we also hope you enjoy June's newsletter!

Helping Hands

We are always pleased to offer work placements to students from different colleges. We were delighted in May to host a group from Suffolk New College, who joined us to help with some baking and other activities in the garden!

The name *June* is the modern day adaption of the Latin word *Junius*, which has its origins dating back to the ancient Romans.

There are multiple theories as to what the month of June was named after. One theory is that it was named after the Roman goddess of marriage, Juno.

June was called *sera monath* by the Anglo-Saxons, which translated into "dry month".

June used to be the fourth month in the year. Before Julius Caesar came to power, the calendar year only had 10 months. In 46 BC he created the Julian calendar by adding two more months to the year, which made June the sixth month.

No other month in the year begins on the same day of the week as June.

June has both the longest and the shortest days of the year, depending on where you're standing! If you live in the northern hemisphere, then June 21st is the longest day of the year. If you live in the southern hemisphere, then the 21st is the shortest day of the year.

June has its own beetle named after it. Called the June beetle, or June bug, it's normally only found within the months of May and June in the United States of America.

We have a Homes Facebook page! We will post regular updates regarding activities within the home etc. and we hope it will enable people to have further insight into the day to days occurrences at Bethesda Eventide. Please feel free to join the page and invite others also.

VE Day

We celebrated the 80th anniversary of VE day in style, we reminisced, sung, danced and shared a lovely street party. A couple of residents joined the celebrations in Christchurch Park. A lovely day was had by all!

Cinco de Mayo

It is with great sadness that we include the news of the passing of Joan Kerr since our last newsletter, she will be very dearly missed.

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. Do you believe this?" **John 11 v 25 & 26**

Fun and Games

Yvonne and the activities team are always keeping us busy, and this month we enjoyed playing lots of different games. From Dominoes to table football, lots of games were enjoyed by all — inside and outside!

Carehome.co.uk is an excellent tool for supporting people in choosing a care home. If you would be willing to leave a review on this site, this would be most welcome.

In May we enjoyed celebrating with Ivy,
Joan, Derek and Joyce!

In June we look forward to
celebrating with John. We look forward
to sharing some birthday pictures again
next month!
