Issue 67

Hello and welcome to our newsletter for February 2026!

The Home has been full of activities and visitors which has led to a very busy month!

We have enjoyed serving Haggis as we celebrated Burns night and we welcomed Jim who came to play the bagpipes for us. We have also enjoyed visits from our regular visiting entertainment and the usual activities.

Its also a busy month on the maintenance front, our old conservatory has been demolished, and the foundations will soon be dug for our new "garden room"!

We have plenty planned for February, please see the theme days to the right. You would be welcome to join us for any of these activities, and we hope to see you soon!

We hope you enjoy February's newsletter!

Pet Day

# Burns Night

We very much enjoyed our annual Burns Night celebrations. We were delighted to welcome Jim, who once again played a number of well known tunes on his bagpipes before piping in our haggis. Then we made our own Tartan and enjoyed the remainder of our Scottish themed day.

We have a Homes Facebook page! We will post regular updates regarding activities within the home etc. and we hope it will enable people to have further insight into the day to days occurrences at Bethesda Eventide. Please feel free to join the page and invite others also.

# Kiddleydivey

If you know of anyone who may like to receive our newsletter, please get in touch with the home so we can add them to our mailing list. Thank you!

# February

February fluctuates between having 28 and 29 days per year. The 29<sup>th</sup> day only occurs every 4 years during leap years.

The length of February was finalized when Julius Caesar remade the Roman calendar and assigned the month 28 days and 29 days. In 713 B.C., February was officially added to the Roman calendar.

If you were born in February, your birthstone is an amethyst and your flower is a primrose.

Over time, the length of February kept changing. At one point, it had as little as 23 days.

In the Northern Hemisphere, February is the third month of winter. Meanwhile in the Southern Hemisphere, February is the last month of summer. Between the North and South Hemispheres, February is the equivalent of August.

The name of February comes from the Latin word “februum” which means purification. It was named after a purification ritual which was like an early Roman spring cleaning festival.

In Welsh, February is sometimes known as “y mis bach” which means “little month.”

The Saxons called February “Sol-monath” which means “cake month” because they would offer cakes to the gods during February.

Of all the words you can misspell, February is one of the most misspelled words in the English language. Even the White House has misprinted the word “February” before in a press release!

February is the only month where it's possible to go the entire time without having a full moon.

Carehome.co.uk is an excellent tool for supporting people in choosing a care home. If you would be willing to leave a review on this site, this would be most welcome.

# Australia Day

We also enjoyed celebrating Australia Day, with lots of themed activities, an Australian menu and some musical entertainment in the afternoon!

If you see a photo in our newsletter of a loved one and would like a copy of it, please get in touch with the home so we can provide you with the original.

# Family Easter Event!

Saturday 4th April 2026  
at Bethesda Eventide Homes

## Easter Egg Hunt

2:30pm - 4:30pm
